

HireBetter®

Hello HireBetter Community,

As the year wraps up we hope you will find time to relax, recharge, and surround yourself with loved ones. We want to acknowledge and show appreciation for the dedication shown by our partners, clients, and the HireBetter team.

Amidst the hustle and bustle of our dynamic industry, it's essential to take a moment to reflect on the commitment and effort that have gone into so many aspects of our lives this past year. Our success is not just a reflection of these individual efforts, but a testament to the collaborative spirit that defines our team and encompasses our community. Here's to a festive season filled with celebration, relaxation, and the expectation of continued success.

In this month's newsletter, we celebrate our CXO, Amy Ancira, and we share the success story of our client, The Dhanani Group.

Last (but definitely not least), don't forget to catch up on valuable lessons shared in Kurt Wilkin's Unlocking Moves podcast. You'll find nearly 2 dozen perspectives on risk, reward, mistakes, and the many paths where life can lead.

Warmest Regards,

Velveth Schmitz, HireBetter CEO
