

Hello HireBetter Community,

We hope you are enjoying the change of season. For some of us, the weather is cooler and the leaves have begun to turn. This month's newsletter is sure to be a real TREAT, featuring some recruiting TRICKS we are excited to share.

Unlocking Moves has some inspirational stories, enjoy an evening walk while listening to our guests share their journeys and lessons learned. It is always great to connect with people. Earlier in the month I had the good fortune to be with the CEO Coaching International Community. At HireBetter, that's what we love to do!

Warmest Regards,

Velveth Schmitz, HireBetter CEO
